## **WASHINGTON COUNTY RECEIVES HALF A MILLION DOLLARS FOR SOCIAL SERVICE CENTER**

INDIANAPOLIS—Washington County received a \$525,000 Community Development Block Grant to expand the Life Spring Social Center. The presentation was made during the Community Focus Fund Awards ceremony at the Statehouse Monday afternoon.

"This CFF award will add 3,200 square feet to the Life Spring Social Center," said State Rep. Dennie Oxley (D-English). "The expansion will create more group rooms, office space and restrooms. The Center is an important part of the community and I am pleased the county received this needed funding."

"Cooperation between local and state officials is critical to obtain funding like this," added State Rep. Jerry Denbo (D-English). "When local entities and those representing the state work together, the local community benefits. I cannot emphasize enough the importance of such cooperation."

The Indiana Office of Rural Affairs presents Community Development Block Grants to rural communities for local projects.
